

Full academic CV

PERSONAL INFORMATION

Name Doc. Mgr. Jiří Pánek, Ph.D.
 Address (office) Department of Development and Environmental Studies
 Faculty of Science
 Palacký University Olomouc (UPOL)
 17. listopadu 12,
 771 46 Olomouc, Czech Republic
 Contact jirkapanek@gmail.com,
 +420 607 504 213
 Google Scholar: <https://goo.gl/cxkB9f>
 ORCID: <https://orcid.org/0000-0002-6390-3149>
 Publons (reviews): <https://publons.com/a/1384603/>
 Sciometrics: WoS – h-index=10, number of citations=302
 Scopus – h-index=10, number of citations=332
 Google Scholar – h-index=15, number of citations=723

EDUCATION

2021 **Doc.** (habilitation – academic title “docent” – **assoc. prof.**), Regional and Social Development, Faculty of Economics and Management, Czech University of Life Sciences Prague, Czech Republic
 Thesis: Perception, Preferences and Participatory Mapping of Public Space in Community Development: Case study on Emotional Maps
 2010–2015 **Ph.D.**, Geography-International Development Studies, Faculty of Science, Palacký University Olomouc, Czech Republic
 Thesis: Participatory research techniques for community projects: methods of selection and collection of spatial data
 11-12/2013 National Institute of Rural Development, Ministry of Rural Development, Government of India - International Programme on Geo-informatics applications in Rural Development for Sharing Innovative GIS in Rural Development. (6 weeks)
 2007–2010 **M.Sc.**, Geoinformatics, Faculty of Science, Palacký University Olomouc, Czech Republic
 Thesis: Multimedia Guidebook of Javorice Karst
 2004–2007 **B.Sc.**, Geography–Geoinformatics, Faculty of Science, Palacký University Olomouc, Czech Republic
 Thesis: Virtual Project of Microregion Hranicko

ACADEMIC EXPERIENCE

01/2022 – now **researcher/team member** at Geographies of development aid at subnational level in transition countries of Eastern and South-eastern Europe (funded by the Czech Science Foundation – GAČR)
 10/2021 – 03/2022 **Fulbright-Masaryk Visiting scholar** at Centre for Geospatial Analytics, North Carolina State University
 09/2020 – now **researcher/team member** at Erasmus+ Jean Monnet Module “Impact of European Union Policies on GeoSciences (EUGeo)” managed by Department of Geoinformatics, UPOL.
 09/2020 – now **principal investigator** at EduChange 2.0 (ERASMUS+ strategic partnership project, full title „Promoting active citizenship through innovative geoparticipatory methods to tackle wicked-environmental problems“)
 09/2019 – now **researcher/team member** at Spationomy 2.0 (ERASMUS+ strategic partnership project, full title “Spatial and economic science in higher education – addressing the playful potential of simulation games”, managed by the Moravian University College Olomouc)
 02/2019 – now **researcher/team member** at the CzechGlobe – Global Change Research Institute of the Czech Academy of Sciences (GCRI) (project “Landscape cultural ecosystem services assessment and mapping”, funded by The Technology Agency of the Czech Republic – TAČR)
 01/2019 – 06/2022 **principal investigator** at Geoparticipatory spatial tools in the decision-making processes of local administrations (funded by the Czech Science Foundation – GAČR)
 01/2019 – 12/2020 **researcher/team member** at the Department of Geography, Palacký University Olomouc (project “Innovation of crime prevention in cities of Olomouc region based on mapping of localities of crime fear”, funded by The Technology Agency of the Czech Republic – TAČR)
 01/2018 – 12/2019 **researcher/team member** at the Institute of Geoinformatics, Technical University of Ostrava (project “Effective Methods of Identification, Assessment and Monitoring of Safety Risk Areas Using Spatial Micro-data”, funded by The Technology Agency of the Czech Republic – TAČR)

09/2017 – 11/2020	principal investigator at EduChange (ERASMUS+ strategic partnership project, full title “Making knowledge together - addressing climate change through innovative place based education and blended learning”)
09 – 12/2017	Ruth Crawford Mitchell Czech/Slovak Fellow at Urban Studies Program, University of Pittsburgh.
01/2017–12/2018	researcher/team member at GEO GO (project managed by NTNU Trondheim and granted by “Norgesuniversitetet” Norway)
09/2016–08/2019	researcher/team member at Spationomy (ERASMUS+ strategic partnership project, managed by the Moravian University College Olomouc)
2015 (01-12)	principal investigator – Internal Grant Agency of Palacký University Olomouc, Emotional and mental maps in environmental health impact assessment. principal investigator – Czech Development Agency, European Year of Development.
01/2014–now	lecturer at Palacký University Olomouc (from 01/2016 assistant professor) Research: GeoParticipation, Emotional Maps, community mapping, playful mapping, GeoGames, GIS and Society, DIY mapping, Balloon and Kite mapping. Courses: Bachelor’s Thesis Tutorial (since 2010) Master's Thesis Tutorial (since 2010) Introduction to GIS in development (since 2010) Advanced GIS in development (since 2011) Participatory mapping and GIS (since 2012) Sport and Development (2012-2018) Introduction to Development studies and research (2015-2019) Introduction to Geoinformatics and GIS for environmental studies (2015-2020) Use of GIS for environmental studies (2015-2020) Computer Skills and Data Processing (2017- 2019) GIS in Environmental Research and Development (since 2018) Principles of Scientific Work (since 2019) Impact of European Union Policies on GeoSciences (since 2021) Community Development and Participation (since 2021)
09/2014–08/2017	site project leader at Palacký University for: Field-based learning: multidisciplinary mobile mapping methods (ERASMUS+ strategic partnership project, managed by the University of Manchester)
2014 (01-12)	principal investigator – Fund for Development of Palacký University Olomouc, Innovation of Participatory mapping and GIS course. principal investigator – Czech Development Agency, Development in 2015. principal investigator – Jan Hus Educational Foundation, scholarship – GeoParticipation. external lecturer at CARITAS – College of Social Work Olomouc Courses: GIS and map making in QGIS
01/2012–12/2013	researcher/team member – Innovation of Sport and Development course, funded by Fund for Universities’ Development (FRVŠ)
01/2012–12/2014	researcher – The Cooperation Network for Research of the Non-European Areas
01/2011–12/2013	principal investigator – Czech Development Agency, Atlas of Czech Development Cooperation.

OTHER WORK EXPERIENCE

10/2014–now	co-founder at start-up participatory mapping platform PocitoveMapy.cz // EmotionalMaps.eu. Since 2014 we have created over 200 emotional mapping workshops/projects in Czech Republic, Slovakia, Iceland, Norway, United Kingdom, South Korea, Germany, Scotland, Spain, United States, Serbia, etc.
01/2011–12/2013	external accreditator for EVS programme, Czech National Agency for Youth in Action. Activities: My task was to review and award accreditation for NGOs willing to take part in European Youth in Action Programme (my specialisation was on European Voluntary Service)
03/2011–now	co-founder and editor at GISportal.cz, non-profit web magazine about GIS.
09/2010–now	freelancer in GIS/Cartography jobs
01/2010–12/2012	tutor , Global Education Network of Young Europeans (GLEN) Activities: The main task is to facilitate the learning process and the preparation of the participants of the GLEN cycle (2x 1 year cycle).
2009 (07-10)	GLEN internship , Makadra United Youth Group, Nairobi, Kenya. (4 months) Activities: Slum mapping, teaching in local school, environmental education.
09/2008–06/2009	European voluntary service (EVS) – International Sport and Culture Association, Copenhagen, Denmark. (10 months) Activities: Project management, conferences and trainings organisation.
09/2007–12/2016	vicechair and co-founder at NGO Bud’ Geo...

Activities: Bud Geo... was non-profit and non-governmental organization based in Olomouc, the Czech Republic. We organized students' geocaching competition "GeoKacer", seminars for high-school teacher on "How to use digital maps and GIS in order to improve their lessons.", organized GIS Day in Olomouc and other geography related events for general public.

EXPERIENCE ABROAD

08/2022	University of Iceland, Iceland (1 week teaching)
10/2021-03/2022	North Carolina State University, USA (6 months research)
02/2020	International field-course, Utrecht University (1 week teaching)
01/2020	Université des Antilles, France (1 week teaching)
10/2019	University of Johannesburg, South Africa (1 week teaching)
05/2019	Ruhr University Bochum, Germany (1 week teaching)
05/2019	Norwegian University of Science and Technology, Norway (1 week teaching)
02/2019	International field-course, University of Malta (1 week teaching)
11/2018	University of Maribor, Slovenia (1 week teaching)
05/2018	Norwegian University of Science and Technology, Norway (1 week teaching)
04/2018	Utrecht University (1 week teaching)
09-12/2017	University of Pittsburgh, USA (3,5 months research)
06/2017	University of Maribor, Slovenia (1 week teaching)
05/2017	International field-course, Gozo, Malta (10 days teaching)
04/2017	University of South Africa, South Africa (1 week research)
03/2017	University of Johannesburg, South Africa (1 week teaching)
02/2017	Ruhr University Bochum, Germany (1 week teaching)
08/2016	Norwegian University of Science and Technology, Norway (1 week research)
05/2016	International field-course, Gozo, Malta (10 days teaching)
04/2016	University of Manchester, UK (1 week teaching)
01/2016	Norwegian University of Science and Technology, Norway (1 week research)
06/2015	University of Iceland, Iceland (3 weeks research)
05/2015	Norwegian University of Science and Technology, Norway (3 weeks research)
04/2015	International field-course, Gozo, Malta (10 days teaching)
03/2015	Université des Antilles, France (1 week teaching)
11-12/2013	National Institute of Rural Development, India (6 weeks studies)
10/2013	University of Belgrade, Serbia (1 week teaching)
08-10/2012	University of South Africa, South Africa (2 months research)
10/2011	University of South Africa, South Africa (3 weeks research)
07-10/2009	Makadara United Youth Group, Kenya (4 months voluntary service)
09/2008-06/2009	International Sport and Culture Association, Denmark (10 months voluntary service)

HONORS & AWARDS

05/2022	Best Map of 2021 Award by Journal of Maps (finalist)
04/2022	Best project of the year award by the Czech National Agency for International Education and Research in category Sustainability (project PI - EduChange)
12/2021	2021 Best Paper Awards from Building and Environment (paper corresponding author)
12/2021	Dean's award at the Faculty Science of Palacký University for excellent research (book co-author)
12/2021	Dean's award at the Faculty Science of Palacký University for excellent research (paper corresponding author)
04/2021	Fulbright-Masaryk Fellowship at North Carolina State University (USA)
12/2020	Dean's award at the Faculty Science of Palacký University for excellent research (paper main author)
12/2019	Best Map of 2019 Award by Journal of Maps (winner)
5/2018	Outstanding ¹ reviewer (Cities)

¹ I was within the top 10th percentile of reviewers for the journal, in terms of the number of manuscript reviews completed in the last two years.

12/2017	Dean's award at the Faculty Science of Palacký University for excellent research (paper main author)
5/2017	Outstanding ¹ reviewer (Applied Geography)
5/2017	Ruth Crawford Mitchell Fellowship for Czech/Slovak Scholars at University of Pittsburgh (USA)
3/2017	International Cartographic Association Research Scholarship
1/2015	International Cartographic Association Research Scholarship
12/2014	Students' activity grant at Faculty of Science, Palacký University Olomouc
10/2014	International Conference on Crisis Mapping Fellowship
11/2013	Jan Hus Educational Foundation Scholarship
11/2013	Indian Technical and Economic Cooperation Scholarship at the National Institute of Rural Development Hyderabad (India)
5/2013	Forum of Young Geoinformaticans (highly reviewed paper)
5/2007	Student Geoscience Conference and Scientific Meeting GISáček (4 th place)
4/2007	Student GIS Project (2 nd place)

ORGANISATIONS MEMBERSHIP

International Society for Participatory Mapping (member since 2018)
Czech Association for Geoinformatics (member since 2013)
Czech Cartography Society (member since 2013)
Czech Geographic Society (member since 2013, since 2016-2022, 2022-now scientific secretary of local (Olomouc) branch)

PROFESSIONAL SERVICE

2022	external PhD thesis reviewer at Swiss Federal Institute of Technology Lausanne, Switzerland external reviewer for National Science Center, Poland member of the habilitation committee for dr. Michal Lehnert at the Faculty of AgriSciences, Mendel University in Brno, Czech Republic 6 th International Conference 'Urban e-Planning', session chair academic tutor for Masaryk Diplomatic Programme organised by the Embassy of the Czech Republic in Washington D.C., USA
2021	external reviewer for Fulbright Commission Czech Republic 5 th International Conference 'Urban e-Planning', session chair external reviewer for Science Fund of the Republic of Serbia member of the examination committee for State exams in Environmental and Development Studies programme (Ph.D.) at UPOL Guest Editor at a special issue of ISPRS International Journal of Geo-Information "GIS for Spatial/Political Participation in the Decision Making Processes of Local Administrations". Member of the Commission for the Development of Structurally Disadvantaged Areas of Olomouc Region (in Czech: člen Komise pro rozvoj strukturálně znevýhodněných oblastí Olomouckého kraje) external PhD thesis consultant at Department of Geography, Norwegian University of Science and Technology, Norway
2020	external PhD thesis reviewer at Centre for Regional and Rural Futures and School of Life and Environmental Sciences, Faculty of Science, Engineering and Built Environment, Deakin University, Australia
2019–now	member of the editorial board at Italian Journal of Planning Practice (ISSN: 2239-267X), http://www.ijpp.it/index.php/it/index external consultant for the Czech Development Agency in the area of using GIS in developing countries
2019	4 th International Conference 'Urban e-Planning', session chair 2 nd International Society of Participatory Mapping conference, session chair
2018	external reviewer for The National Research Foundation of South Africa. 3 rd International Conference 'Urban e-Planning', session chair
2017	28 th International Cartographic Conference, session chair : "thematic cartography and cognition"
2016–now	local co-organiser of humanitarian mapathons – Missing Maps project from Doctors without Borders (MSF) member of the examination committee for State exams in Environmental Studies and Sustainable Development programme (B.Sc.) at UPOL member of the editorial board at Development, Environment and Foresight (ISSN: 2336-6613), DEF journal published by Palacký University Olomouc (UP). http://def-journal.eu/
2016	Conference GIS in planning of cities and regions, member of planning committee

	International Journal of E-Planning Research 2016 Annual Conference, panel co-chair “Critical Approaches and Methods in Urban e-Planning”
2015–2020	managing and technical editor at Development, Environment and Foresight (ISSN: 2336-6613), DEF journal published by Palacký University Olomouc (UP). http://def-journal.eu/
2015–now	member of the examination committee for State exams in International Development Studies programme (B.Sc. and M.Sc.) at UPOL external examiner for internal granting agencies (Charles University Prague, Technical University Liberec, Palacký University Olomouc)
2015	27 th International Cartographic Conference, session chair : “Semiotics, map perception, cognition and knowledge 4”
2014–now	external advisor in the area of participatory mapping and emotional maps for the Healthy Cities of the Czech Republic Network (http://healthycities.cz/)
2014	6 th Annual Conference of Crisis Mappers , session chair : “Selecting Effective Participatory Mapping Platforms” 23 rd National Geographic Conference, session chair : “Application of geographic data in decision making process” Conference Geoinformatics in public administration, member of planning committee, session chair : “Participatory mapping” Humanitarian OSM mapper for South Sudan (2 months distance mapping). I was one of the GISCorps volunteers mapping via HOT Tasking Manager area of South Sudan, Upper Nile State, Malakal.
2013–2016	columnist in People in Need (NGO) bulletin about GIS/Maps and Development.
2013–2018	main organiser of “Mapping, GIS and Developing countries” annual conference (2013, 2014, 2015, 2016, 2018). peer reviewer – for full list of my reviews, please check Publons at https://publons.com/a/1384603/
2011–now	member of the selection committee for bachelor program and master programme in International Development Studies, Palacký University Olomouc, Czech Republic
2011, 2016, 2019, 2021	Student competition GISáček, committee member .

SELECTED CONFERENCES WITH ACTIVE PARTICIPATION (PRESENTED PAPERS, TALKS, POSTERS, etc.)

2022, Olomouc (CZ)	25 th national congress of Czech Geographic Society
2022, Brno (CZ)	Urban Studies Conference
2022, Lisbon (online)	6 th International Conference 'Urban e-Planning'
2022, New York (online)	AAG Annual Meeting
2021, Lisbon (online)	5 th International Conference 'Urban e-Planning'
2020, Pilsen (CZ)	24 th national congress of Czech Geographic Society (online invited plenary talk)
2020, Kouty (CZ)	Maps are for everybody
2019, Helsinki	2 nd International Society of Participatory Mapping conference
2019, Lisbon	4 th International Conference 'Urban e-Planning'
2018, Lisbon	3 rd International Conference 'Urban e-Planning'
2017, Washington D.C.	28 th International Cartographic Conference
2017, Poznań, Poland	Symposium Modern Methods and Tools for Public Participation in Urban Planning 2017
2016, Venice	Charting the Digital: Discourse, Disruption, Design, Detour
2016, Prague (CZ)	GIS in city a regional planning
2016, České Budějovice (CZ)	22 nd National congress of Czech Geographic Society
2016, Lisbon	1 st International Journal of E-Planning Research 2016 Annual Conference
2016, Ostrava (CZ)	GIS Ostrava 2016
2015, Lednice (CZ)	21 st National Cartographic Conference
2015, Rio de Janeiro	27 th International Cartographic Conference
2014, New York	6 th Annual Conference of Crisis Mappers
2014, Prague (CZ)	23 rd national congress of Czech Geographic Society
2014, Zvolen, Slovakia	9 th Forum of Young Geoinformatics
2014, Prague	Geoinformatics in public administration
2014, Olomouc (CZ)	CARTOCON 2014
2013, Addis Ababa	Global Geospatial Conference
2013, Brno (CZ)	Participation and activism in geography research
2013, Plzeň (CZ)	20 th National Cartographic Conference
2013, Dresden	26 th International Cartographic Conference
2013, Paris	8 th IAG international conference on geomorphology (poster)
2013, Zvolen, Slovakia	8 th Forum of Young Geoinformatics
2012, Chambéry, France	3 rd Forum of Geographic Information for Relief & Development
2012, Johannesburg	GISSA Ukubuzana 2012

THESES SUPERVISING

Bachelor theses defended (all UPOL unless stated otherwise):

Practical use of cybercartography for mapping local spatial knowledge and landscape memories in a selected region (2022)
Waste production in district towns of the Moravian-Silesian region (2022)
The averted face of Olomouc (2022)
The concept of sustainable coffee production and the interest of the Czech consumer (2022)
Emotional maps of Jeseník - comparative analysis (2021)
Simulation games in education (2021)
Assessing the spatial allocation of waste containers in a selected city (2020)
Activities of the Healthy Cities of the Czech Republic network in the Moravian-Silesian region (2019)
Multimedia maps in presentation of environmental topics: Case study of African travels of Hanzelka & Zikmund (2019).
Noise as an environmental pollution - a case study Olomouc (2019)
Perception of regional and local names in Velký Újezd and its outskirts (2018)
Imaginative geography of selected region (2018)
Perception of the quality of urban green spaces and places to rest (2018)
Primary school pupils' perception of safety in Náchod (2018)
Exploration of urban sustainability through participatory and playful methods (2017)
Emotional map of Valašské Meziříčí (2017)
Spatial aspects of safety in the selected city – Opava (2017)
UAVs and their use in crisis situations (2017)
Dérive and didactic opportunities in development studies (2017)
Mental map of the Middle East: Collection, analysis and interpretation (2016)
The impact of tourism on indigenous population in Panama (2016)
Kite mapping and its use in coastal areas (2016)
Analysis of Africa's mental map rendered by grammar schools' pupils in Slovakia and the Czech Republic (2014)
The supply of arms to the selected developing countries in Africa (2013)
Upgrading Kibera - the issue of changing the urban structure in Kibera (2013)
Comparison of the selected projects of the Czech development cooperation in education: Child sponsorship and Let's build a school in Africa (2013)
Participative GIS and SWOT analysis of a selected project (2013)
Problems with the granting of asylum in the Czech Republic (2013)

Master theses defended (all UPOL unless stated otherwise):

Evaluation of communication of Ostrava districts with the public (2022)
The mobile applications for communication between the local municipality and the citizens. (2022)
Postdevelopment Policy Information: A GIS Design Workflow for the Pluriverse (2021)
Usage and limitation of autonomous pilotless systems in the context of international safety (2020)
Evaluation of opportunities and challenges for the successful synthesis of placemaking and festival practices (2020)
Crowdsourcing in humanitarian mapping: motivations and outputs (2019)
The comparison of perception of safety in the selected cities (2019)
Analysis of the tourist dominants of Zlín region expressed using maps (2019)
Usage of Story Maps application for educational purposes (2018)
Spatial perception of developing countries by high school students (2018)
Community mapping in developing contexts - limits and benefits (2015)
Applying of the information technology to crisis mapping (2015)
Recipients' Perceptions of Thanapara Swallows Development Society's Arsenic Mitigation Community Work in Bangladesh (2015)
Possibilities of using Geographic Information Systems (GIS) in non-governmental non-profit development organization (2014)

PhD dissertation theses:

Selected aspects of participatory and collaborative mapping (co-supervisor work in progress). Faculty of Science, Charles University, Prague, Czech Republic.
The use of augmented reality as a tool for research and development of the urban environment (in progress). Faculty of Art and Architecture. Technical University Liberec, Czech Republic
Utilization of geospatial tools for participation in decision-making process at the level of local governments (in progress). Faculty of Science, Palacky University Olomouc, Czech Republic

THESES REVIEWING

Bachelor theses (all UPOL unless stated otherwise):

- Passive and low-energy houses with usage of smart technologies. (2022)
- Projects based on Blockchain 3.0 technology (2022)
- Environmental education in elementary schools, influence on the education and upbringing of children (2021)
- Recycling behaviour among students at Ton Duc Thang University in Vietnam (2021)
- Sustainable community development in the Czech Republic with focus on neighborhood communities (2020)
- Analysis of selected small-scale protected areas in the Chřiby Nature Park (2020)
- The Utilisation of International Classification of Developing Countries in the European Union's Foreign Policy (2020)
- Urban criteria for sustainable city planning of the 21st century (2020)
- Education for active citizenship with the focus on service-learning (2019)
- The impact of multinational corporations on developing countries: The effects of The Shell company on human rights and environment in Nigeria (2015)
- The Regulation and Export of Weapons to Developing Countries on the Case of the Czech Republic (2015)
- The child soldiers and their reintegration with focus on Uganda (2013)
- Education in the Tibetan exile in India and influence of NGOs (2012)
- Impact of Commonwealth games on the development in Delhi (2012)
- Global development education in the Czech scouting - analysis of current situation and proposals for the future (2011)
- Cooperatives in Subsaharan Africa: Poverty Allevation Through Self-Help (2011)

Master theses (all UPOL unless stated otherwise):

- Creation of a board game on the topic of development of decolonized countries (2022)
- Climate change in the Westfjords, Iceland A local perspective of a global problem (2022) University of Akureyri, Iceland
- Perceptions about the value of addresses and address data in South Africa (2022), University of Pretoria, South Africa
- Slow fashion movement and its connection with social business in the Czech Republic Values, approaches and current practice (2019)
- Time-Space Aspects of Perception of Fear in the Mental Maps of the Population Děčín region (2018)
- Analysis of teachers' needs in incorporating global development education topics: ARPOK organisation and its services and products (2017)
- The issue of certification of sustainable aquaculture (2017)
- Is the public transport system failing the poor? A critical analysis of the public transport system in South Africa: Case study of Johannesburg. (2017)
- Emotional map of Olomouc city (2017)
- Analysis of Youth Leadership and Empowerment towards Sustainable Community Livelihoods: A Case Study in Guatemala and El Salvador (2016)
- Small Scale farming versus Corporate Agriculture in Sub-Saharan Africa: A Case Study of Tanzania (2016)
- Business plan: Fairtrade café in Olomouc (2015)
- Tourism as a Development Opportunity for SIDS in the Pacific Region (2015)
- Community Based Urban Agriculture in Southern Africa: Case Study of Ndola, Zambia (2014)
- Participatory GIS and 3D modelling as development cooperation instruments (2011)
- Comparative analysis of websites of selected development NGO's (2011)

PhD dissertation theses:

- The Future of Civic Technologies for the Involvement of Citizens in Urban Planning: 3D Urban Participatory e-Planning in the Spotlight (2022), Swiss Federal Institute of Technology Lausanne, Switzerland
- PhD seminar (pre-defense), High-value natural resource revenue management: Spatial Crowdsourcing and the Annual Budget Funding Amount in Ghana (2021), Department of Geography, Norwegian University of Science and Technology, Norway
- Integrating Strategic Foresight into Sustainable Development of Catchment Land-Use (2020), Centre for Regional and Rural Futures and School of Life and Environmental Sciences, Faculty of Science, Engineering and Built Environment, Deakin University, Australia

INVITED LECTURES AND WORKSHOPS (outside Palacký University Olomouc)

- 2022 The First webinar of Participatory mapping institute (together with dr. Ian Babelon). Lecture topic: **“100+ shades of geoparticipation”** available online at: <https://www.youtube.com/embed/-GyLWEB-1MY>
Selected Topics in Geoinformatics at University of Salzburg. Lecture topic: **“Can we measure geoparticipation?”**
Czech Fulbright Night by the Embassy of the Czech Republic in Washington, DC. Talk topic: **“Mental maps in (participatory) urban planning in 21st century”**
- 2020 Charles Univeristy Prague, online lecture titled: **“Participativní mapování jako nástroj komunitního rozvoje”**
25th national congress of Czech Geographic Society, online invited plenary talk topic: **“50 shades of geoparticipation”**
- 2019 University of South Africa (South Africa), Lecture topic: **“Comparing Residents’ Fear of Crime with Recorded Crime Data”**
University of Pretoria (South Africa), Lecture topic: **“Crowdsourcing in Data collection”**
- 2018 Akropola Kremnica (Slovakia), Lecture topic: **“Emotional maps in Urban Planning”**
Diera do Světa, Liptovský Mikuláš (Slovakia), Lecture topic: **“Emotional maps in Urban Planning”**
Utrecht University Research Days, workshop topic: **“Participatory and Emotional mapping”**
ARCHIP – Architectural Institute in Prague, Lecture topic: **“Potentials and limits of emotional maps in urban planning”**
- 2017 Center for Social & Urban Research at the University of Pittsburgh, Lecture topic: **“Can Participatory Mapping Platforms Change the Way We Work with Urban Perceptions?”**
GIS course at the University of Pittsburgh, Lecture topic: **“Data collection and visualisation”**
Czechoslovak Nationality Room at the University of Pittsburgh, Lecture topic: **“Emotional mapping in Lawrenceville”**
Probation and Mediation Service of the Czech Republic, Lecture topic: **“Mapping of safety perceptions in selected cities”**
Summer school of the National Network of Healthy Cities, Lecture topic: **“Emotional maps and safety mapping”**
University of South Africa, Lecture topic: **“GeoParticipation: Bringing emotions into community mapping and spatial visualisation”**
University of Johannesburg, Lecture topics: **“From Mental Maps to GeoParticipation”**, **“Emotional Mapping and Citizen Science”**
Spring school of the National Network of Healthy Cities, Lecture topic: **“Emotional maps in participatory planning”**
- 2016 Technical geodetic college Opava, Lecture topic: **“Introduction to QGIS and cloud-GIS technologies”**
Prague Summer School on Development Cooperation: Breaking the Chains of Poverty, Lecture topic: **“Crowdsourcing and open data in current humanitarian discourse”**, and lecture: **“Can maps help to build more resilient communities?”**
University of Iceland. Lecture topic: **“GIS enhancing geography education”**
Technical University Liberec. Lecture topic: **“GeoParticipation in local decision making process”**
Independent Social-Ecological Movement (NGO) **“Methods of participation for active citizenship”**
- 2015 Czech Environmental Partnership Foundation conference. Lecture topic: **“Emotional maps in urban planning”**
Prague 4 Municipal District. Lecture topic: **“Emotional maps in city planning”**
University of Iceland. Lecture topic: **“GeoParticipation and Community Mapping”**
Norwegian University of Science and Technology. Lecture topic: **“Online multimedia and playful approaches in geography”**
University of West Bohemia, Pilsen, Czech Republic. Lecture topic: **“Balloon mapping”**
Spring School of Healthy Cities of the Czech Republic Network. Lecture topic: **“Emotional Maps”**
Prague Summer School on New Development Cooperation: Breaking the Chains of Poverty, Lecture topic: **“Crowdsourcing and open data in current humanitarian discourse”**
- 2014 3rd doctoral conference InDOG, Olomouc, Czech Republic. Workshop topic: **“Balloon and kite mapping”**
Public lectures on development by ARPOK (NGO). Lecture topic: **“Do maps help in community development?”**
The Olomouc Centre for Ecological Activities (NGO). Workshop topic: **“Mapping in Africa and in Olomouc – local participation is the key”**
Summer School of Development Cooperation, Olomouc, Czech Republic. Workshop topic: **“Participatory mapping and development cooperation”**
- 2013 Moravian University College Olomouc. Lecture topic: **“Mapping on iOS devices”**
Masaryk University, Brno, Czech Republic. Lecture topic: **“Maps and psychology”**
Summer School of Development Cooperation, Olomouc, Czech Republic. Lecture topic: **“Participatory GIS in development”**

Pampédie – School of public education (NGO). Workshop topic: “Why do maps lie and how can we trust them?”

Enviro-i-forum, Technical University in Zvolen, Slovakia. Lecture topic: “Geographic information systems in developing countries – what are the ethical issues we need to be aware of?”
