

# FINAL REPORT – VAVROUŠEK SCHOLARSHIP

NAME: Michaela Žajglová

YEAR OF STUDY: 3<sup>rd</sup> (Bachelor)

TOPIC OF THE INTERNSHIP: Explore East Asia

SCHOLARSHIP AMOUNT: 5 000,- CZK

COUNTRY OF IMPLEMENTATION: Indonesia

PERIOD: 01/2018 – 02/2018

- **Brief description of the internship:**

The internship took place in local committee of city Makassar on the island South Sulawesi. Thanks to cooperation with UN, all voluntary internships are trying to improve different Sustainable Development Goals. This internship - Explore East Asia was trying to improve SDG number 11 - Sustainable cities and Communities. During the internship the international team of volunteers were learning about East Indonesian culture, Indonesians problems and Indonesian advantages to be able to spread information among local people (especially students) thanks to many promotional activities. One of the aims of the project is to eliminate cultural barriers thanks working in a multicultural project and also to let people think that even we (volunteers) are not from their country we can learn about Indonesia and spread it.

- **Description of the activities:**

We were travelling around South Sulawesi and East Java and making photos, videos and articles. We were trying to catch all strengths and weaknesses of these areas (beautiful scenery, mountains etc and also garbage in the streets, poor people etc.) We also had meeting with local government and we were discussing with the head of region how to support tourism (improve language skills of people, build better infrastructure, support infrastructure etc.) After we came back to the city (Makassar and Surabaya) we did roadshows and presentations for students at high schools. We also presented videos on the social sites to support tourism in these areas which is really poor even there are beautiful places to see.

- **Benefit of the internship for student and partner organization:**

The benefit for me was definitely to see the developing country which is suffering with problems. Also the great experience with the project which is supporting some developing issue.

Thanks us (volunteers), the partner organization was able to realize impactful project.

- **Presentation of the outcomes of the internship:**

I did presentation on my social site – I presented our outcomes with the idea of project.

I also did the physical presentation of my internship in front of students. I definitely mentioned the support of Vavroušek scholarship.
