

INTERNSHIP PROPOSAL

Nadacia Pontis

Department/Division: Development and democratisation department

Pontis Foundation is one of the biggest foundations in Slovakia. Pontis Foundation supports corporate philanthropy, corporate responsibility and is active in development cooperation. Through the projects in the field of democratization and development abroad, we support civil society in Belarus and in the past also in Cuba. In 2010 we began implementation of a project aimed at improving the computer literacy of teachers and students in southeast Kenya. We implement projects in the Balkans and Moldova aimed at transferring Slovak transition and EU integration experience. We promote foreign policy of the Slovak Republic and the European Union, based on democratic values such as respect for human rights and solidarity.
