

Need some work experience?  
Wanna meet people from different cultures?  
Ready to help and do something good for the society?

...make the most of your time and energy  
and **BE A VOLUNTEER!**

MACERUDET, a community based non-profit organisation seeks for student volunteers in Kampala, Uganda in the following areas:

- Health Care
- Education
- Sciences
- Social Work & Field Work

Volunteers will work in partnership with the local medical officers at the Busaawa Mmanze Health Center. Volunteer student teachers will work with our local teachers at the two schools. The tasks undertaken will depend on their level of experience and qualifications.
